To register today go to www.ypowpo.org/SECRegionalConference2015

The Southeast US and Caribbean Region will bring its flair and flavor to Bermuda. Discovering Bermuda in a true “only in YPO-WPO” fashion, members from across the region will experience all the lost treasures of the island and use its history to create better futures and enjoy rich educational experiences.

Home is where the heart is

We are planning to be conveniently located in downtown Hamilton at the recently renovated Hamilton Fairmont Princess which has easy access to the northern and southern parts of the Island. From our hotel, you can walk and explore the town streets filled with world-class art galleries, fashion boutiques, cigar shops and culinary delights.

MORE TO COME... We will open registration in Summer 2014. If you have any questions in the mean time please feel free to contact us at askevents@ypowpo.org

Excellent education value by exploring key topics such as Leadership, Entrepreneurship, Health and Wellness and Following Your Passion. Learn about the rich, cultural history of the Bermuda and how the history effects the US and UK relations today.

Exclusive offsites- We will utilize Bermuda’s rich maritime and recreational history as our classroom. Also, keep an eye out for exclusive pre-academy experiences that will focus on golf, deep-sea fishing, scuba and sailing.

Out of this World Socials- From the time you step onto Bermudian soil, all senses will be submerged in the local culture. At the opening social, we’ll immerse you in Bermudian traditions. So guys, be sure to pack your Bermuda shorts and smart blazers (knee socks will be provided). The next two nights will be filled with fun and surprises not to be missed or forgotten!
